

Orca Days Art Contest!

Theme

The theme of the art contest is “Orca recovery and the human connection to Orcas” This contest is hosted by The Island County Marine Resources Committee (MRC) and Sound Water Stewards (SWS). In celebration of Orca Recovery Day, and to bring awareness throughout the month of October to our role in Orca recovery.

Artwork should depict Orca recovery and or the human connection with the Orcas. Open to any art style or medium as long as it can be displayed on a website. This can be a scan or still photo of the piece.

Eligibility

This contest is open to Island County residents of all ages.

Categories

Entries will be accepted in the following categories:

- Grades 1-5
- Grades 6-8
- Highschool
- Adult

Online Display

The top entries from each category will be displayed through the Island County MRC website: <https://www.islandcountymrc.org/> and the Sound Water Stewards website <https://soundwaterstewards.org>.

Prize

Prizes will be given for the top two entries in each of the categories. Choice of winners will be based equally, on the creativity of the art and the power of the message.

Winners will be announced at the end of October. The winners will receive a prize and will have their artwork highlighted on the MRC and SWS websites and on social media!

Contest Rules

1. Please make the art family friendly
2. Please submit by scanning or taking photo of the piece of art. (jpg, png, pdf, files are best)
3. In the email please write your name, home telephone number and age category.
4. Submit your entry to us by October 31st.
5. Send pictures of art to Allie at education@soundwaterstewards.org . Please use **Art Contest Submission** as the email subject line.
6. By sending us an art submission you are giving the MRC and SWS express permission to use the art and essays for social media and other online uses. We will not use full names of students to protect their privacy.
